Re: Freedom of Information Act Request 06-FOI-00226-11

Dear Mr. Abraham:

This letter is in response to your Freedom of Information Act (FOIA) request dated February 18, 2011, requesting any and all documents, photographs, etc., for the Louisiana Wesbank Asbestos Superfund site (LAD98517011), located in Marrero, Louisiana 70072.

In a telephone conversation on March 15, 2011, with Tina Kirst, a contractor for U.S. Environmental Protection Agency Region 6 Superfund Division, you were notified of confidential documents responsive to your request and you stated that you would like to amend your request to receive public use information only. Also, you further clarified that you were not interested in receiving redacted documents at this time.

In compliance with your instructions, we are enclosing copies of all known responsive U.S. Environmental Protection Agency Region 6 Superfund Program public use documents on one Compact Disc (CD). The documents contained on the CD are in Adobe Systems Inc.'s common Portable Document Format™ (PDF). The viewer is included on the CD, as is additional supporting documentation, if needed.

If you should have any questions or need additional information, please contact me at (214) 665-6659. The Region 6 Freedom of Information Officer will bill you at a later date.

Sincerely,

A handwritten signature in black ink, appearing to read "Ida Gilleland".

Ida Gilleland
Superfund FOIA Coordinator
